Term 2 Week 6

Kia Ora Parents, Caregivers and Whanau,

Over half the term has passed as a few shortened weeks have led us to Week 6.

Cross Country was held yesterday with some fantastic organisation by Matua Paora that saw our fields be used for the first time in years to stage the event. Congratulations to all students who took part and thank you to the many whanau and friends who came along to support our school. Next week is the Western Clusters with the top students from Year 4 to 6 attending and representing Merivale. All the best to those students. A notice will be sent home later this week.

Today, Nga Hau E Wha will have a whanau hui to discuss direction of the rumaki classes and also give an insight to progress that students are making. The hui runs from 4pm to 5pm.

We welcome Matua Tre Matthews who begins as a kaiawhina in Nga Hau E Wha this week. Matua Tre has a strong affinity to the school being one of our ex-students. Welcome to Team Merivale, Matua!

A health and physical education survey is currently being conducted. Whanau are invited to fill out our online survey in the office this week. All results will be used to shape the future of how we deliver both Health and PE at Merivale School. For more information, feel free to contact the office.

Next Friday 14 June, our students will take part in a special programme organised by our teaching staff to celebrate Matariki. The morning will consist of specific activities for Matariki. This day is for Merivale students only and is not a public event. More information will be given out next week.
