Year 5-6 Netball Merivale Magic- Whaea Kate

### Rugby Tackle 5's

This tournament took place today Wednesday June 11 at Maramatanga Park, Te Puna. Details to come on how our teams went...

### WBOP Cross Country

Well done to Clariyah Rihia Jack-Kino who competed at the WBOP champs yesterday at Waipuna Park. It was a very challenging course and she did us proud! Ka wani kē Clariyah.

Room 1 walked around to the Merivale Community Garden last week. They looked, picked, smelt some mint and lemon balm. We thought about Tupuanuku and Tupuarangi. Matariki - time for Kai.

A notice has gone home this week to let you know about the up and coming Maths No Problem Whānau Hui on Tuesday 17th June from 1:45 – 2:45 in Room 6.

Please return the tear off slip at the bottom of the notice to indicate if you will be attending.

We hope that you will be able to join us for our Matariki Celebration on Thursday 19th June from 11:30am – 1:00pm. Please return the slip at the bottom of your notice to let us know if you will be attending.

Friday 20th June is the official Matariki public holiday – school will be closed for instruction on this day.

WINTER is definitely here -  
A reminder we have winter jackets, hoodies (limited sizes) and track pants available at the school office....  
we have sold out of the smaller sizes of track-pants so only have sizes 12, 14 & XS left.

Tena koutou parents, caregivers and whanau,

We have a number of events and activities taking place across the next few weeks. Please ensure that you are kept updated as every event or activity will involve your child at some stage.

**Tackle 5's.** Today Matua Darren took a group of 17 students to Maramatanga Park in Te Puna for the annual Tackle 5's competition. Results were not available at the time of writing this newsletter so we will be issuing these next week.

**Emergency Procedures.** Last week the school practiced a scheduled fire drill and were absolutely perfect in their display of following procedures. Because Merivale School Board wishes our school to be stringent in its process and compliance in all areas of operation, it has been decided by the Board that we will engage Harrison Tew, an emergency management company, to review our emergency procedures in Term 3. Further details will be given next term.

**Matariki Celebrations.** Next week we will be having our annual Matariki celebration on **Thursday 19 June**. We invite whanau to come and join us in the festivities beginning at 11.30am in classrooms. We will then have a number of performances taking place in the Action Centre from 12pm. From 1pm students will have their lunch after which, if whanau wish to take students home, they may.

**Health Curriculum Survey.** As part of the school's ongoing review system, consultation needs to be made with whanau on particular areas. This time we are looking at our Health Curriculum. We have a short survey for interested whanau to take part in. This is available at the office.

Mauriora,  
Matua Tom

**As Matariki approaches Room 4 has been learning about the two stars Waitī and Waitā. The tamariki have explored the importance of caring for and protecting our waterways. To share their new knowledge tamariki have made informative posters on how to keep our waterways safe.**
