

27 March 2019 Term 1 Week 9

Tena Koutou Parents, Caregivers and Whanau,

Week 9 has never looked so exciting with our On The Go fundraiser taking place this Friday. The students and staff are pumped for a great day so fingers crossed the weather plays its part as well.

On The Go kicks off on **Friday 29 March at 10.30am**. The students will be placed in groups that will rotate between three activities and a break. The break will consist of Arcade Alley where students, staff and whanau will be able to purchase food. A reminder that students will need to bring money but we would prefer change or smaller notes. The day will conclude at 1.30pm and parents/caregivers can take their children home at that time. If you have any queries or concerns, please contact the office.

Our ERO visit is only two weeks away. We have been sent a draft timetable by the ERO team. A meeting has been scheduled for parents/caregivers for **Tuesday 9 April**. Please contact the office if you are interested in attending.

Uniform has been an issue the last couple of weeks. We realise that some whanau are waiting on orders and that this could be a contributing factor. From Term 2, we will be more stringent in procedures regarding incorrect uniform.

'ON THE GO FUNDRAISER'

WOW – our 'Give A Little' page is looking great...we are very excited. Only 2 days to go so please go to our Facebook page and onto the Give a Little Page to donate. Our On the Go Day is this Friday 29th March. We would love to see as many whanau at school as possible.

Reminder there will be stalls where the tamariki can purchase all sorts of goodies so it would be great if they can bring a small amount of money to school on Friday to support these stalls. There will be cakes, games, popcorn & Orbeez for sale (from .50c to \$2) and seafood chowder and fry bread for \$5 so come down and support the tamariki and enjoy the day. Ka Rawe!

**COMING UP –
BOARD OF TRUSTEES ELECTIONS
June 2017 – if you would like
information about becoming a board
member see Jan Honey in the office.**

Healthy Skin / skin infections – Key messages

Key prevention messages

- Skin infections are preventable
- If left untreated skin infections can lead to serious health problems
- Serious skin infections are a major cause of avoidable hospitalisations in New Zealand

Healthy skin messages

- Wash and dry hands with soap and water often
- Keep skin clean with regular showers
- **Clean** wounds and hands, **Cut** fingernails and **Cover** injuries
- Care for other skin conditions e.g. eczema – use your creams and lotions
- Wash sheets and towels regularly
- Eat healthy food. Healthy food is important for healthy skin
- Skin infections often start with an insect bite
- Treat animals for fleas regularly

Thank you KPMG for our fantastic new breakfast milo cups. Everybody loves them.
