

3 April 2019 Term 1 Week 10

Tena Koutou Parents, Caregivers and Whanau,

The first week of April but the second to last week of Term 1 and with our ERO visit next week, we are still working hard, although the end of term is in sight.

Thank you to everybody for the amazing work you all did in regard to our On The Go fundraiser last Friday.

What a fantastic day!

In particular, I would like to thank our kids who really pushed hard in the activities.

Congratulations to everyone for a successful event. As yet, we are still calculating the funds raised but we should have a total amount in the next newsletter.

The Education Review Office (ERO) team arrive next Monday 8 April and will be welcomed in a pohiri in the Action Centre. The formalities will be quick as we endeavour to get into the nitty gritty of the ERO visit through meetings, discussions and observations. Thank you to those whanau who have made themselves available to meet with ERO to discuss Merivale School's operation. If you have any queries or concerns, please contact the office.

Could you please bring a copy of your child's immunisation record into school to be filed (we can copy them here), this could be your child's plunket book or a form from the doctors, (you can get this from the nurse, you do not need to see a doctor).
